

GURU SUTRA

THE GURU WHO WON'T KEEP SPIRITUAL SECRETS

The relationship between a guru and his disciple is the most sacred alliance in this world. For the first time ever, a guru has given away the secrets governing a disciple's conduct, so that he can navigate the pitfalls in the Snakes and Ladders' game of spiritual evolution. This book breaks myths and lays out the trajectory to channelising spiritual power.

“On reading this book, one will be introduced to the ultimate truth of life; whether they agree or disagree, sooner or later, they will be motivated by the imprints this book leaves on the mind—to start, restart, or move forward on one's true journey.”

- Nikeeta Mistry

“At first, I started reading this book merely to give feedback but then got totally engrossed in the content. It reinforces the importance of letting go of the ego, surrendering and keeping the faith. The honest rendition of the author's journey and personal examples stated, makes it a gripping read.”

- Poonam Sareen

“Realising that there is divinity in each of us, and in everything around us, is a profound thing. This book will make you think whether your words, actions and deeds are actually aligned with this realisation.”

- Kanika Bhalla
